gave me the thrill and goal that I never thought I might be an artist....

This class wasn't meant for me because I expected different techniques to be taught rather than project after project being thrown at the class with no known knowledge of the style; although 3 textbooks were required and had to be bought for this class, we only barely used 1.

You always show up to the class late and seem not motivated to teach us stuff. our schedule kept on getting behind and never had chance to catch up. and you hardly reply back to my emails and hardly doing anything such as grading. bottom line, you never once taken any kind of interest in this course.
